Information for Families and Carers of people with Mental Health Issues

New information brochures are now available to help you understand your rights within the NSW Mental Health System.

These 10 new information brochures are available at www.mentalhealthcarersnsw.org and as a paper brochure.

1. How to get someone a mental health assessment
2. In the Emergency Department
3. In the Mental Health Unit
4. The Mental Health Review Tribunal
5. Carers and Community Treatment Orders
6. Caring for a person in the community
7. Mental Health Care in Private Hospitals
8. Information Sharing
9. Carers of Forensic Patients
10. Carer Rights

Ask the health professional or person helping you in this facility for a copy of the brochure you require or access all the brochures by using this code.

For more information, ask about the Family and Carer Mental Health Program service outlet at the health facility you attend.
